# The Lakeville Pony Club

## 1956—2010

The Lakeville Pony Club is a member of the New York/Upper Connecticut Region, United States Pony Club, and the third oldest club in the country. In 1956 the club began at the barn of Lucy Drummond in Salisbury. The following year the club initiated the first Lakeville Open Horse Show.

Today our club's home base is at Riga Meadow Equestrian Center, LLC in Salisbury. Our current membership includes children not only from the towns of the Northwest Corner, but also New York and Massachusetts. We have a broad range of ages and abilities. Some of our membership own or lease their own horse or pony, and some do not. Horse ownership is not a pre-requisite to membership. Thanks to The Benefactor Fund (see page 10) we now have a horse for the children to share. However, as the children reach toward higher goals, a horse of one's own usually becomes necessary.

Our club is a busy place. We hope you enjoy the horse show this year! If you or someone you know is interested in finding out more about LPC, contact the Pony Club at 860-435-9991.

### The Benefactor Fund

The Benefactor Fund was created as an endowment specifically for the care and keeping of a horse for the club members to share. This enables children who would otherwise not be able to afford it to experience all the pleasures and healthy benefits of the Lakeville Pony Club. Thanks to our generous donors to this fund, we have been able to fulfill this dream. We now have a horse named U.S. Blues for the children to share and the Benefactor Funds will be used for his care and keeping in 2009 and in the years to come. All donations (tax deductible) should be made payable to **The Lakeville Pony Club, P. O. Box 61, Lakeville, CT 06039**
